"There's my style to start your style, and I don't see how you can do this better.
Remember that experience who you are in your own way."

"Don't be into trends. Don't make fashion own you, but you decide what you are,
what you want to express by the way you dress and the way to live."

"What's my style is not your style, and I
don't see how you can define it. It's
something that expresses who you are
in your own way."
